The arguments

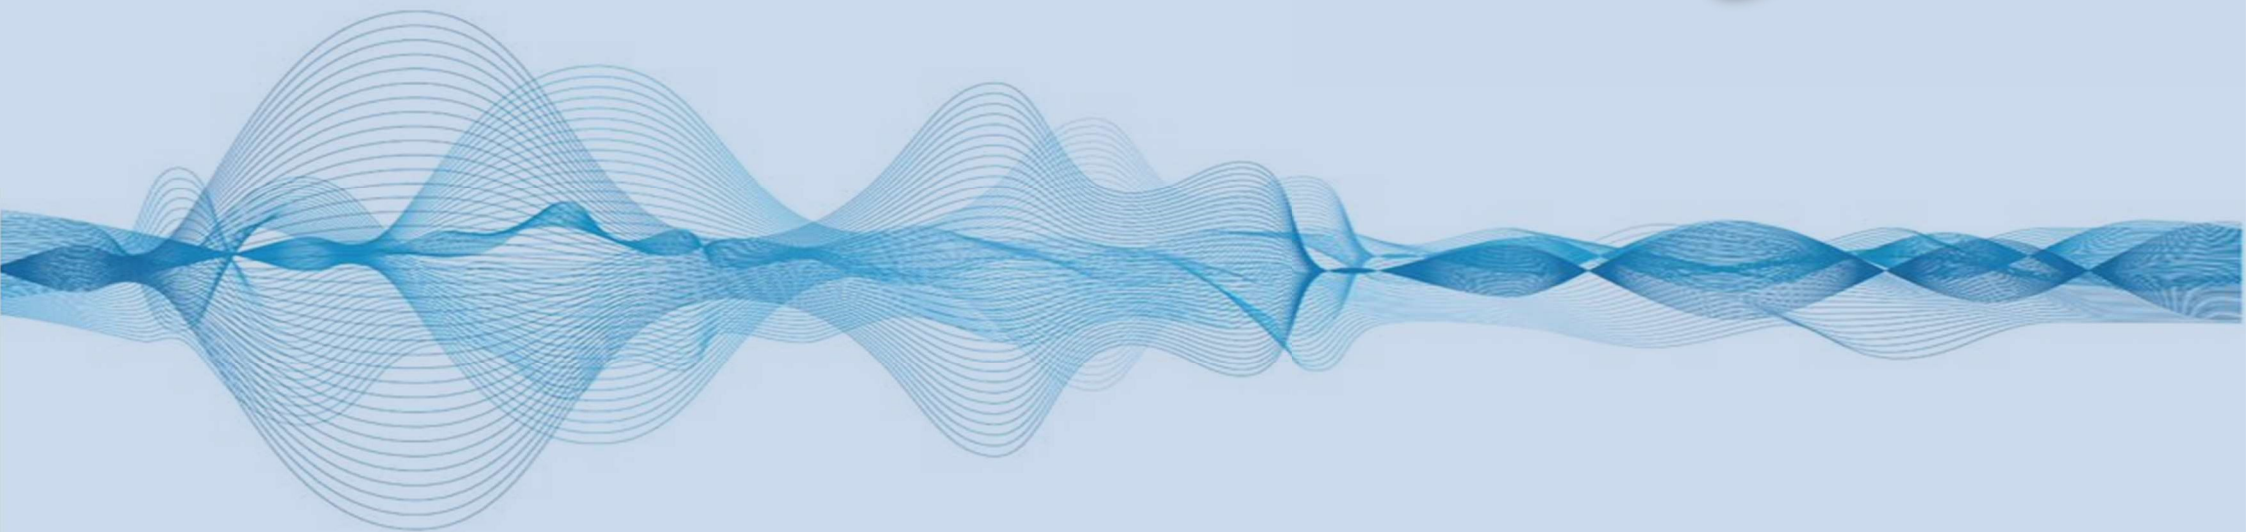

FONtevo[®]

+

=

The IP DECT system: the arguments

• Out of one hand

→ More safety

- ICT system plus DECT system matching optimally
- Support/service out of one hand

• Simple installation

→ Less effort

- Automatic finding of the ICT system (zero touch)
- Setup, deleting, changing of the handsets in the ICR system
- Provisioning of the components

The IP DECT system: the arguments

FONTevo®

- **Superior design**

- Known look and feel of the handsets

→ **More attractive**

- **Competitive system prices**

- Specially for bigger setups

... and: **Made in Germany**
